

Atelier des arts

by Sara Alcobendas

DISCOVER PREVIEW ON YOUTUBE 

Sara Alcobendas first Collection: Atelier des Arts is dedicated to all artists and potential artists, which means everyone because art is in every person, in everything, in the nature, in the time passing, in every thing we do. Art is a way to look at life with hope. Art is to see the beauty in everything. The scrapbooking album is the picture of Sara's lab, the door, the desk, her paints, her flowers, her chair. Atelier des Arts is an invitation to bring out your ideas and put it down in colours. Many are the accessories of this collection: Papers, Stencils, Stamps and Moulds.
